WEST COAST REINING HORSE ASSOCIATION

WCRHA's 5th ANNUAL ROOKIE DAY...

Took place on Saturday April 19th and was held at the Saddle Creek Ranch in Oroville, CA which is about an hour and a half north of Sacramento.

For those of you who have never been to this wonderful equestrian facility owned by Norm and Debbie Witt, it is nestled in the foothills of Sierra Nevada Mountains in the beautiful Butte Valley just outside of the town of Oroville. The facility has two very nice sized arenas, one outdoor and one indoor. The facility is used for horse shows and roping

competitions throughout the year. It is a very impressive equestrian facility. A huge thank you goes to Norm and Debbie for hosting Rookie Day this year.

The day turned out to be spectacular. It was cool in the morning but quickly warmed up to the low 80's by early afternoon. There was hardly a breath of wind. There were 24 rookie riders with various levels of experience in Reining and showing who partici-

President's Letter

I would like to take this opportunity to discuss some of WCRHA's volunteers. As a nonprofit, WCRHA could not exist without this vital group of people. Our volunteers are so important that we have a new committee on the Board of Directors to oversee this ever growing need at our shows. Anne McLeod has taken on the role as the Chair of this very important volunteer committee.

Each event that WCRHA produces, whether it is a horse show, a special event such as Rookie Day or the year end banquet auction requires untold hours of work conducted by volunteers from our WCRHA family.

Just producing a horse show alone, prior to, during and after a show requires hundreds upon hundreds of hours of work by volunteers. I do not think anyone has ever sat down and calculated the number of hours that go into producing a horse show, but I bet the amount of hours would be considerable.

While all volunteers are vital to the smooth operation of a show, I want to take this opportunity to highlight a few members and their jobs that they perform before, during and after a show.

The Board members who are on the show committee consist of the Chair, Kelli Brummett as well as David Hanson, Rachel Fingerle and Terry Holland. These four individuals spend many hours planning all the details of every show from the patterns for each class to any special events such as draw parties and special speakers. The year end/futurity/NWRAF show takes double the amount of hours to plan out than a regular affiliate show does. In fact, planning for the NWRAF shows starts at the beginning of the year and continues until the show has been completed.

While it is true that WCRHA has been producing shows for more than thirty years now, each show is uniquely different from the others during the year. Just putting together the show premium requires hours upon hours of work done by Kelli and Terry for each show. There is a considerable amount of detail that goes into each show premium that I do not think you could truly appreciate it unless you have done it yourself. These two ladies are to be commended for putting together each premium and getting it out to the membership several weeks prior to that particular show.

I am sure you have noticed all those sponsor banners placed up in and around the arena?

Larry Armer and his crew take the better part of a day to clean and put up all those banners so that we can proudly display WCRHA's sponsors. After the show, Larry and his crew have to then take down the banners, take out the staples and roll them up and then place them storage until the next show. While it may not seem like a difficult job, it is very time consuming and a dirty job as well.

Let's talk about awards for a moment. This is also a huge task that is undertaken by Debi Murnan and Sheila Day. These two ladies spend hours searching the internet for the great awards that are given out at the shows. They also work with NRHA on ordering and purchasing the trophies and plaques that are awarded at the shows. They work with our buckle vendors to design and order all the buckles for our

special events, yearend show and year end awards. And if that is not enough, Debi and Sheila spend hour upon hours at each show organizing and handing out awards at the conclusion of each class.

There are two additional Board Members I would like to point out and they are Art and Rachel Fingerle. I have to be honest, I don't know how many years Art has been running the gate, but it has been at least the 12 years that I have been a member of WCRHA as I don't remember him not being there at the in gate. Art volunteers his time for each show he is at. To run the gate efficiently, you need to be organized and have to pay attention to what is going on in the show and warm up arenas at all times. I know this is no easy task as I have done it myself and will be doing it again for affiliates 3-4 this year. Art also is in charge our membership list and keeps it up to date on a monthly basis.

Rachel wears many hats for WCRHA. For our shows, she keeps the records for point and money totals and reports those results to NRHA. If you have not noticed, in the last few years, she has completed this monumental task within a couple of days of the conclusion of one our shows. That is no easy task to complete in that short of time. Rachel goes over the results, ads up the points and money, and places it with the correct exhibitor or owner. She is incredibly detailed oriented in order to make sure there are no mistakes. Rachel tells me she has been doing this for the better part of 20 years now.

I have served on the Board of Directors going onto my fifth year now. Being President of WCRHA is a lot of work and responsibility and it seems like I am learning something new every day. I have had the good fortune to work under two great previous presidents, David Hanson and Ollie Galligan. These two men were great leaders. I have learned a lot from both of them. They have been great examples to follow and emulate.

They served WCRHA with great love and passion for the organization and its membership. I hope I can live up to the standard they have both set.

As you know, the Board is entirely made up of individuals that are volunteers. Each Board member has an assigned task and roll. Please take a moment when you can and look on our website and each board member is listed along with the committee they are in charge or a member of. I personally want to thank each board member for their dedication and hard work on the behalf of WCRHA.

While this is not an exhaustive list of the volunteers at our shows or within our organization, these are just a few individuals that I wanted to point out to you. There are too many to list in one article. That is why I plan to highlight

other volunteers in future newsletters.

ALL volunteers are vital to WCRHA. Each and every one of you is appreciated for all the work that you for this club. Without you all, we would not have the awesome shows and events that we have all come to appreciate.

Thank you!

Mike Silva,
WCRHA President

pated in the morning clinic and afternoon show.

For those of you who are not familiar with the National Reining Horse Association's Rookie Day, it serves two purposes. 1. It is a program within the Reining Horse Sports Foundation (RHSF) that is a unique opportunity for newer/beginning reiners to receive training from local professionals combined with an actual class all in an effort to help newer/beginner reiners prepare for the show pen. Riders will be critiqued and educated on how they were scored and have an opportunity to win some pretty cool prizes, including buckles! 2. Most importantly though all the funds from this event go to help support the RHSF Crisis Fund and NRHA members in their time of need.

The morning started out with a brief meeting between the professionals and the student riders to draw names out of a cowboy hat to determine which riders would be with which professionals. They then divided up into groups and went to the arenas to start the clinic.

The clinic lasted for three hours where the professionals helped their student riders with all the reining maneuvers. And, if they needed a little extra help on a particular maneuver, they then spent additional time on that particular maneuver.

After lunch, all the students then needed to get into their show clothes and back numbers placed on their show saddle blankets. One thing about Rookie Day is that there is an actual show in the afternoon in front of a NRHA carded judge. The exhibitors are judged in accordance with the NRHA rules and scores are awarded in accordance with the rules.

It was obvious that everyone tried their very best during the show. When the show was all said and done, the results were as follows:

Champion: Mark Faley riding Chrome Starlight with a score of 72.

Reserve Champion: Loren Braucht riding lean With Midnight with a score of 69.

Third place: Cathy James riding Gallos Creed with a score of 68.5

There was a tie for fourth place between Willow Newcomb riding Lil Annie Quotie and Olivia Grupp riding Scooter Zippin Legacy. Both had a score of 68.

Youth Champion went to Carly Ball riding Que Pasa Dreams.

All exhibitors did an excellent job. I heard many remarks that they received a lot of knowledge and experience out of the clinic and show.

I was the coordinator of Rookie Day again this year but I could not have done without the help of many people. A huge

thank you goes out to all the professionals who donated their time to help the exhibitors throughout the day. Those professionals were Liz and Christian Rammerstorfer, Thad Carr, Amy Walden, Philip Hurst, Martin Padilla, David Hanson and Arno Gorgasser. Thank you again. I know all the exhibitors really appreciated all the help you gave them throughout the day,

A huge thank you also goes out the entire crew without whose help I could not have ran such a successful Rookie Day. Thank you to judge Lisa Macauley, scribe Sheila Day, performance arena gate person JoAnn Campas, Warm up arena gate person Dee Braucht and photographer Paolo Troia. Thank you for all your hard work and dedication to Rookie Day.

And finally, thank you to all the exhibitors. Without your participation, we would not be sending back to NRHA and the Crisis Fund a donation of nearly \$5000!!!

All in all, the weather could not have been better, the facility was fantastic, the professionals gave their all to their students and the exhibitors rode the hearts out. It was a great Rookie Day!

Youth News

The WCRHyA members have been hard at work these last few months planning and preparing for the upcoming year. At the Affiliate 3 & 4 show look for our youth doing their annual Saddle and Tack cleaning and our annual horse wash will be held at the Brookside, Affiliate 5 show. We also look forward to seeing our youth team grow closer throughout 2014.

We saw a great youth turnout at the Rein for Roses show early this May. There were fun activities that everyone could participate in like a youth meeting, the three-legged races, wheel barrel races, and a baseball game where there were candy and gift cards as prizes.

We are excited about our new Bracelets, designed by Lauren Hanson, our Lanyards, and our new Cinch Bags that display our youth logo. All of these items will allow us to show the pride we have in our club. Thank you to the Robison Family for donating these items to support us.

We are also on Instagram @wcrhya and Facebook @ West Coast Reining Horse youth Association (WCRHyA). Please follow us and like our page to see what we are up too as a club and as friends. Our youth are really excited for the upcoming shows and activities that we will see over the next year!

Did You know?

A few horse show facts

We all love horse shows and all the fun and camaraderie that is included. Friendly competition and meeting personal goals is an added bonus. Behind the scene at each horse show, there are many people making that show possible.

Did you know? Kelli Brummett and the horse show committee spend many hours working on the schedule and putting together the premium so that the show days go as smoothly as possible.

Did you know? During the hours of 7 am to 6 pm, arena lights at MEC cost \$100.00 per day, but if we go over hours, it is an additional \$125.00 per hour. At Affiliate #1, we had 20 hours of "after hours lights" as a courtesy to our exhibitors, for a total of \$2,500.00 in added expenses.

Did you know? We pay MEC staff overtime, just like the lights. At Affiliate #1, we had 22 hours of staff overtime for an additional cost of \$660.00. So when you are tired at the end of a long show day,

remember to thank the MEC staff because they have to be there late also.

The Board reviews each horse show and the expenses involved in putting on the excellent shows of which we are accustomed. It is always our goal to keep entry fees and stabling fees as affordable as possible for our members. WCRHA offers many different sponsorship opportunities which go a long way to supporting our wonderful shows. To find out how you can support your WCRHA club, contact Sponsorship Chair, Eileen Maxinoski at 831-227-4440 or email at emaxinoski@aol.com.

WCRHA IS AWARDED \$1,500 FROM NRHA

West Coast Reining Horse Association is 1 of 72 Affiliates of the NRHA in the United States. In 2013 the NRHA offered an Affiliate Incentive Program to encourage Affiliates to hold educational, fundraising and developmental programs.

WCRHA achieved the Gold Level which is the highest level of the program and was awarded \$1500 from NRHA. Only 4 of the 72 Affiliates achieved the Gold Level and WCRHA was 1 of the 4 according to Shianne Megel who is the Director of Events and Affiliates for NRHA.

In order to accomplish this, WCRHA had to complete a defined number of programs within a year.

At the start of the year an Affiliate Application and Agreement, a Circuit of Shows Application, WCRHA Bylaws and Dues must be submitted to NRHA.

WCRHA must then designate an Affiliate Liaison who must participate in an NRHA webinar regarding knowledge of Affiliates and Affiliate Shows, must attend the Regional Summit at the Regional Affiliate Finals and must attend the Affiliate Summit at either the NRHA Derby or Futurity. Kelli Brummett is the Affiliate Liaison for WCRHA and attended all of the required events on behalf of WCRHA.

WCRHA must hold at least one Affiliate show and offer NRHA Green Levels 1 & 2 classes at two separate shows and Entry Level Ride & Slide classes at one show. WCRHA held five Affiliate shows and offered the required classes at every Affiliate show.

WCRHA held a Rookie Day event and a Membership Secrets of Judging Course which are developmental programs successfully organized for WCRHA members and others interested in reining by Mike Silva.

All of these programs benefit the members of WCRHA and help promote the sport of reining.

Whoz In The News?

Whoz A Whiz! That's who! Ron and Sally Hoppe's reiner, Whoz A Whiz, is leading the world standing in Novice Horse Open Level 1 and second in Level 2, with trainer Liz Rammerstorfer, according to the May issue of the NRHA Reiner magazine. With owner Sally aboard, Whoz A Whiz is also 6th in the Novice horse Non Pro Level 1 and 10th in Prime Time Non Pro.

The May issue included several other WCRHA notables. California Shines, owned by Lavonne Sturgeon, is third in the Open and fifth in the intermediate Open with trainer Ollie Galligan. Tessa Lindberg and her trusty Chicadero are tied for 8th in the world Youth 14-18.

Cam Essick of Pacific Range Ranch and Rebeca Martin of Rancho De Sueno are 12th and 18th respectively in the world's Top 20 Owners. Cam is also number two in the world's Top 20 Non Pros. Mike Boyle is listed 12th in the Top 20 Professionals. And, check out the great interview article on WCRHA sponsor and supporter Jill Ramleth in the April issue of the Reiner. WCRHA is proud of their members' accomplishments!

Congratulations to all!
