Beautiful fall weather welcomed reiners from northern California and beyond to the West Coast Reining Horse Association's last show of the year held October 19-22 at the Murieta Equestrian Center in Rancho Murieta. Classes ranging from Futurities, Derbies, and Maturities to Lead Line and Ranch Riding provided a "something for

everyone" venue. Over 70 Champion and Reserve Champion buckles and nine saddles were awarded to winners as well as prizes to fifth place.

Champion in the Open Maturity with a score of 74 was David Hanson riding Rockabilly Banjo owned by Melinda Gaw. One half point behind was Martin Padilla on Tobyann Faingold's Spangled Desire.

Show Park in Elk Grove and Rolling Hills Casino in Corning. Our shows will be Signature Events. The Battle for The Saddle at Rolling Hills in Corning continues. The Spring Rein For The Roses Show hosted by Brookside Show Park and Bill Madden, to celebrate the Kentucky Derby with The Derby on Derby Day. The Summer Shoot Out Show sponsored by Murieta Equestrian Center will highlight the Non Pro Shoot Out Class. The July Star Spangle Slide Show will feature Aged Events. Our Year End Futurity Show boasts more Aged Events with very attractive money added.

This year West Coast Reining Horse Association and Great Western Reining Horse Association GWRHA bid for the future Northwest Affiliate Regional Championships. NRHA awarded the GWRHA the ARCs in Idaho for 2018 through 2022. The show dates will be the second week of October for the next five years. Our Year End Show has been the third week of October. For our members who want to qualify for the NRHA North American Affiliate Championships in Oklahoma, this required them to show in Idaho for a week, return on Sunday and move into Murieta Equestrian Center the following Monday for our Year End Show. Therefore to help our members succeed in 2018 the WCRHA will hold our Year End Show August 23rd through the 26th at Murieta Equestrian Center. Having our Year End Show in late summer will provide our members the time to compete at Fall Aged Events, the Affiliate Regional Championship Show and prepare for the NRHA Futurity & Adequan NAAC Show. This will help reduce the stress on our horses, exhibitors, owners and trainers. For those of you who stay locally let me know if you are interested in a Fall Fun Show!

The WCRHA is changing up our Year End Awards Program to include several Division Saddles in addition to Buckles and Jackets. More information will be presented at our Year End Award Banquet where \$10,000 and more in Jackets, Buckles and other awards are presented to our amazing 2017 Exhibitors. Please invite all your family and friends to join in our celebration of our members' great accomplishment!!!!

Wishing you All The Best during the Holidays!!!

Hanson and Padilla were also Champion and Reserve Champion respectively in the Open class. First place honors in the Intermediate Open went to Eric LaPorte riding Holier Then Thou owned by Nicole McDevitt. Second place was tied between Jim Grech showing his own Shining Boon Chick and Robyn Burton showing Nancy Hersh's Bay Shine. Twenty-four riders gave it their all for a chance to win the beautiful, prestigious Champion saddle that went to the winner of the Rookie 1 class. With a score of 71.5, Margaret Munro riding Mercedes Shiningstar emerged the happy victor. Margaret just came from winning the Rookie 1 class at the Northwest Regional Affiliate Finals held the prior week in Nampa, Idaho. Jamie Foster riding Smart Nu Cash was second in Rookie 2, and Lisa Dentoni on Mr Twister Whiz was second in the Prime Time Rookie.

As winner of this class, Lisa was presented with the first annual Gary VanHoosen Perpetual Trophy. Gary, who passed away on September 2, was loved by many in WCRHA and, incidentally, was the first recipient of the Dick Randal Horseman of the Year Award for WCRHA. Congratulations to Lisa! Tying for second in this class were Laetitia Loubser on Coronas In Hollywood and Angelia Kourafas on Dunit In Chocolate.

the winner, and Margaret Chancellor on her own Dunit With A Shine was second. In the Unrestricted Youth, Teresa and Highly Spotageous carried off the first place buckle and Campbell with A Gun Show came in a close second. Job well done, WCRHA Youth!

The cutest class of the day, 10 & Under Short Stirrup, followed. Casey Skadden was the happy winner on Shine Like Cash owned by Debbie Valdero Tweedy. Thanks to Evia Reid on Barbara Morlan's Taris Topsail for helping to fill the class. Two entries entertained the audience in the Freestyle class. Gary Van Hoosen Memorial Perpetual Trophy

Gary's dedication and passion for training horses and riders was unquestionable. At shows, you could always find him standing at the rail of the warmup pen or show arena for hours watching people ride whether they were beginners or colleagues. And, if anyone rode up to him and asked him for assistance, he would have some idea of what was going on and would tell them what he saw that could fix the problem. Gary prided himself on being a coach/mentor; teaching people how to ride their horses; and ride well regardless of the quality of their horse. He was more critical of rider mistakes than he was of the horse's problems and always said "I can fix the horse, but you, I'm not so sure"!

He was a great study of the sport, constantly striving to improve his skills and knowledge, often bringing home a new technique to see if it helped to improve one of his riders or horses. His dedication, compassion, integrity, and loyalty were centered on the goals of his clients. He was a "silent" supporter of all; choosing to be asked for his opinion/guidance rather than just sharing it and having no one listen. He chose to be more influential behind the scenes encouraging people in the sport, or to get into the sport, than most people know, which is why the Gary Van Hoosen Memorial Perpetual Trophy will be presented each year to the winner of WCRHA Green Reiner class. Gary's family and friends would like to congratulate the 1st recipient Lisa Dentoni showing Mr. Twister Whiz.

HUMANE TREATMENT OF ANIMALS POLICY

Murieta Equestrian Center enforces the humane treatment of all animals for shows held on our premises. Notification of mistreatment of animals may result in verbal and written warnings as well as those involved requested to leave the facility.

Slapping or hitting a horse on the head, one time or more than one time, in any manner, either with the rider's hands, reins or any other object; Using a bit in such a way that a horse is caused to bleed from its mouth or face; Using any object held in the rider's hand, other than the bridle reins or a light leather quirt, to hit a horse; Any act which the general public would perceive to be inhumane to the horse. This includes such acts occurring not only in the show arena but also those occurring anywhere on the show grounds including but not limited to, the warm-up area, practice pen or any other location.

1. If show management at any MEC event discovers inhumane treatment of a horse, it may immediately bar the responsible party and horse from further participation in the event. Show Management must be notified within seven days of the closing date of the show involved, and that complaint will be referred to the appropriate committee for investigation and consideration.
2. Inhumane treatment is the exhibition of a crippled or injured horse, or a horse with any other health abnormality, which could thereby result in the horse's undue discomfort or distress. The decision of show management or judge as to inhumane treatment shall be based upon consultation with a veterinarian. If show management or judge determines, in the sole discretion of either, that the welfare of the horse requires immediate action, and a veterinarian is not available, show management or judge may implement any action allowed by this rule.
3. Abuse includes excessive jerking, spurring, whipping, slapping, use of lip wire or similar device or any other act intended to cause trauma or injury to a horse. Any act of abuse, or intent to abuse a horse, in the show arena or on the show grounds which could also potentially endanger the safety of other persons or animals will be dealt with in the strongest possible manner.
4. Administration of drugs while on the show grounds, including show arena and practice arena, is strictly prohibited unless administered in a life saving situation. Such an instance must be reported to show management. The decision of show management as to life saving treatment should be based on consultation with a veterinarian. Show management shall disqualify and/or refuse entry to any contestant and/or owner for violation of this rule.
